

Complimentary Initial Consultation Meeting Agenda

The purpose of the Initial Consultation is for us to learn about you and your family, and for you to learn about Protected Tomorrows and how we can help you. In order to accomplish this goal our agenda for the meeting will consist of the following:

- Introductions
- Tell us about your family
- Why are you here? What keeps you up at nights? What are your concerns?
- Take a Candid Look™
What are your dreams and goals for the future for your family member with special needs?
- What can Protected Tomorrows® do for your family?
- Next Steps - How do you start?

Expected Outcomes:

<i>Length of Initial Consultation:</i>	1 hour
<i>Family Outcomes:</i>	Family will have a better understanding of how Protected Tomorrows can help them feel more secure, less alone and more confident of the possibilities of a full life for their family member with special needs.
<i>Protected Tomorrows Outcomes:</i>	Protected Tomorrows will have a better understanding of the family's history, as well as their hopes, dreams and fears. Protected Tomorrows will use this knowledge to estimate the cost for services over a one year period.
