to his or her fullest potential.*

Protected Tomorrows® is a nation-wide network of Advocates specifically trained and authorized to work with you through The Process for Protected Tomorrows®. This process is a holistic 8-step repeating approach to planning for you and your family member with special needs. Developed by Mary Anne Ehlert through years of work with families like yours, this Process has helped families identify and address their own unique goals. Not only will you work with your Protected Tomorrows® Advocate to address your specific situation, but you will also be part of a network of families striving to make a difference in the special needs community.

Introduction

Your upcoming meeting is an opportunity to Take a Candid Look™ at your personal situation and overall goals, dreams and fears. To have a fully productive meeting, please take fifteen minutes to think through the topics listed in the first column. Don't overthink these topics, just jot down what comes to mind.

DREAMS		Appropriate Process Stage to Assist
If you didn't have concerns about time, money or health issues, what would you most like to do or have done in regard to your family member with special needs?		
GOALS		
What goals do you have for your family member with special needs?		
What about goals for you and the rest of your family?		
FEARS		
What keeps you up at night?		
INFORMATION
